The College library houses over 5,000 volumes of books alongside modern amenities such as internet facilities, including an e-book center with approximately 500 titles. Our library accommodates over 30 readers at a time, offering a borrowing period of 14 days for books, extendable for an additional 14 days. Our fully automated and modernized facility features a Digital Library section and internet access, providing services like current affairs awareness, selective dissemination of information, and e-learning resources. Open on all working days from 9 am to 4.30 pm, ensuring a rich and accessible learning environment for our college community.

Vision

To empower young minds to contribute to society through the pursuit of education, learning and research. We equip our students for a knowledge-driven, global society by facilitating Digital Platform which support research and scholarly communication through collaborative opportunities.

Mission

Digital Library supports the core values of the institution by developing and delivering methods of creating and supporting knowledge resources.

- We strive to provide the very best ideas, people, facilities and technologies and employ creative solutions to address our users' needs.
- We develop and curate unique collections and information resources that establish a foundation for intellectual inquiry, ethical scholarship, and lifelong learning among youth.
